WHAT IS ADVOCACY?

An advocate is your voice, but louder!

advocates are:

- independent
- always there to listen
- there to support you

advocates can:

- attend your reviews
- contact people for you
- tell you your rights
- give you advice
- help to find solutions

"I had a complaint about my foster placement. My advocate explained the complaints procedure to me. He also helped me to write a letter and send it off."

"I had an issue with my contact arrangements with my brothers, so an advocate helped me and my social worker to plan it better."

advocates can help with problems like:

- social workers
- school or college
- home or placement
- understanding care plans
- leaving care
