

Work Experience with the Planning & Environment Service

What is the Planning and Environment Service?

The team within Kent County Council is here to support economic growth and protect vulnerable people and places. There are a number of different teams within the service, including:

- Planning Applications Group
- Strategic Planning
- Minerals & Waste Planning
- Heritage
- Climate Change & Sustainability
- Flood Risk
- Planning & Strategic Transport
- Gypsy & Traveller Unit

What would your work experience involve?

- You will have the opportunity to work within a number of different teams to gain an understanding of the service
- Within a two week placement, your first week would be spent with the planning teams and in the second, an introduction to Environmental Management
